

Summer 2016 Commercial Fatalities

This list is not guaranteed to be accurate. The information is found from web searches and news dispatches. Those references are part of the chart. If you have a source for information on any fatality please leave a comment or contact me. Thank you.

If this information is incorrect or incomplete please let me know. This is up to date as of June 30, 2016. Thanks.

Rafting, Mountaineering, Skiing out of bounds and other sports are probably still safer than your kitchen or bathroom. This information is not to scare you away from any activity but to help you understand the risks and to study.

Red is a probable death due to medical issues unrelated to the activity

Blue is an employee fatality

Dark blue is a death of an employee while working
