

2016-2017 In bound ski/board fatalities

This list is not guaranteed to be accurate. The information is found from web searches and news dispatches. Those references are part of the chart. If you have a source for information on any fatality please leave a comment or contact me. Thank you.

If this information is incorrect or incomplete please let me know. This is up to date as of March 15, 2017. Thanks.

Skiing and Snowboarding are still safer than being in your kitchen or bathroom. This information is not to scare you away from skiing but to help you understand the risks.

Red type is natural or medical conditions that occurred inbounds on the slopes

Green Type is Fatalities while sledding at the Resort

Blue Type is a Lift Accidents

Purple Type is Employee or Ski Patroller
